Tele: 23353503, Fax :23752957

No. 26/1/2017(Rectt.Adv.)/FOR/CERC

Dated: 21-02-2018

Subject: Engagement of Individual Consultant at the level of Adviser

[LAST DATE: 13.03.2018]

1. Background

1.1 The Electricity Regulatory Commissions Act, 1998 paved way for creation of the Regulatory Commissions at the Centre and in the States. Since the enactment of Electricity Act 2003 the power sector has undergone major structural changes.

1.2 The Electricity Act, 2003 has significantly enlarged the spectrum of responsibility of CERC. Under the ERC Act, 1998 only the tariff fixation powers were vested in CERC. The new law of 2003 has entrusted on the CERC several other responsibilities in addition to the tariff fixation powers, for instance, the powers to grant license for inter-State transmission, inter-State trading and consequently to amend, suspend and revoke the license, the powers to regulate the licensees by setting performance standards and ensuring their compliance, etc.

1.3 The Act is based on the philosophy that consumers benefit from growth of competitive markets. The Act has de-licensed generation and encouraged captive power by allowing them to sell almost half of the generation without any license requirements. Multiple players are required for competitive markets. For coordinated growth of the sector, the Act has also provided for a framework of Forum of Regulators (FOR), inter alia, for harmonization of regulation in the electricity sector.

1.4 The Forum of Regulators (FOR) was constituted vide Notification dated 16th February, 2005 in pursuance of the provision under section 166(2) of the Electricity Act, 2003. The Forum consists of Chairperson of Central Electricity Regulatory Commission (CERC) and Chairpersons of State Electricity Regulatory Commissions (SERCs). The Chairperson of CERC is the Chairperson of the Forum. The Secretary to the Central Commission is the ex-officio Secretary to the Forum. Secretarial assistance to the Forum is provided by the Central Commission. The headquarters of the Forum is located at New Delhi.

1.5 The following are the functions of the Forum of Regulators (FOR):

- a. Analysis of the tariff orders and other orders of Central Commission and State Commissions and compilation of data arising out of the said orders, highlighting, especially the efficiency improvements of the utilities;
- b. Harmonization of regulation in power sector;
- c. Laying of standards of performance of licensees as required under the Act;
- d. Sharing of information among the members of the Forum on various issues of common interest and also of common approach;
- e. Undertaking research work in-house or through outsourcing on issues relevant to power sector regulation;
- f. Evolving measures for protection of interest of consumers and promotion of efficiency, economy and competition in power sector; and

g. Such other functions as the Central Government may assign to it, from time to time.

1.6 The Forum has been contributing significantly to the process of regulatory reforms in the electricity sector in India. It has conducted studies on wide ranging issues. The activities of FOR and consequently of FOR Secretariat have been increasing over the period and include inter alia conducting in-house research, studies by engaging external agencies, conducting capacity building programmes, organising meetings, managing the administrative and establishment matters of FOR.

1.7 The Forum has also been actively involved in working on various power sector issues related to Open Access, Demand Side Management, Power Quality, Tariff related issues etc through its Task Force and Working Groups. In addition, issues are also referred to the Forum by the Ministry of Power where opinion of the Regulators on technical and State specific issues are sought.

1.8 In view of the above set of tasks in addition to the ever increasing mandated activities towards achieving the specific objectives, the Forum proposes to engage an Individual Consultant, to be designated as Adviser, as per CERC (Appointment of Consultants) Regulations, 2008 (as amended from time to time).

2. Scope of work for the Staff Consultant

2.1 The scope of work for the Staff Consultant will include the following:-

- a. Research & Analysis of policy & regulatory issue relating to power sector Keeping track of national and international trends in power sector
- b. Policy issues relating to renewable energy / power sector and collection of relevant energy statistics
- c. Assisting the Forum and its committees in discharging its mandate
- d. Assisting the Forum in evolving model guidelines and handholding in rolling out such guidelines / regulations at the State level;
- e. Preparation of various reports on issues relating to electricity policy & regulations from time to time and close monitoring of relevant developments in the sector;
- f. Legal and Parliament matters including compliance of specific directions by the Superior Courts, Parliamentary Standing Committee; ;
- g. Providing interface between the Regulatory Affairs wing of CERC and FOR Secretariat; and
- h. Any other work assigned from time to time.
